

# Durham Transportation Master Plan Update

## NOTICE OF COMMENCEMENT AND PUBLIC INFORMATION CENTRE #1

WORKS DEPARTMENT

NOVEMBER 6, 2014

PUBLIC NOTICE

The Regional Municipality of Durham is preparing an update to its Transportation Master Plan (TMP) to address long-term transportation needs through 2031. The TMP update will focus on all modes of transportation, including walking, cycling, public transit, auto travel and goods movement, and will build on the achievements of the current Durham TMP that was approved by Regional Council in 2003. The study will be conducted in accordance with the requirements of Phases 1 and 2 of the *Municipal Class Environmental Assessment* which is an approved process under the Ontario *Environmental Assessment Act*.

### What is a Transportation Master Plan?

A TMP is a strategic planning document designed to define the policies, programs and infrastructure changes required to meet future transportation needs. It will address planned future growth in Durham by developing a transportation system that balances the need for road network expansion with more transit services, cycling and pedestrian opportunities, while enhancing safety, promoting sustainability and reducing environmental impacts.

### How You Can Get Involved

We encourage you to visit the project web site at [www.durham.ca/tmp](http://www.durham.ca/tmp) to learn the latest information about this important study. In addition, we also invite you to attend the first of three rounds of Public Information Centres (PICs) to discuss the future vision of transportation in Durham. The PICs will be held on four days at four different locations, and you are welcome to drop into any of the PICs at any time during the periods noted below.

#### Saturday, Nov. 15

Pickering Town Centre, Upper Level Entrance 2  
1355 Kingston Rd., Pickering  
10 a.m. – 4 p.m.

#### Tuesday, Nov. 18

Scugog Community Recreation Centre  
1655 Reach St., Port Perry  
5 p.m. – 8 p.m.

#### Monday, Nov. 24

Garnet B. Rickard Recreation Complex  
2440 Durham Hwy 2, Bowmanville  
5 p.m. – 8 p.m.

#### Wednesday, Nov. 26

Civic Recreation Complex  
99 Thornton Rd. S., Oshawa  
5 p.m. – 8 p.m.

If you have any questions regarding the upcoming PICs or want to share your thoughts regarding transportation in Durham, you can email the project team at [tmp@durham.ca](mailto:tmp@durham.ca) or contact the Region's or Consultant's project manager:

#### Doug Robertson, P.Eng., PTOE
